STREETS
of
Westbrook

MANY of the
streets are laid
out artistically
and pleasantly
set with many
shade trees,

which are always a delight to all.

Main Street, the principal business thorough-
fare, is a busy section, and there is always
something doing on this street day and night.

Westbrook, Maine

GYMNASIUM

THIS Institution
was made possible
through the legacy of
the late S. D. War-
ren, Sr., founder of

the great Paper Mills at Cumberland Mills.

Connected with the Gymnasium is the Swimming
Pool on the banks of the Presumpscot River.

The entire Institution is in charge of Professor
Maurice Ross, and a visit would repay your effort
to this establishment.

HALIDON

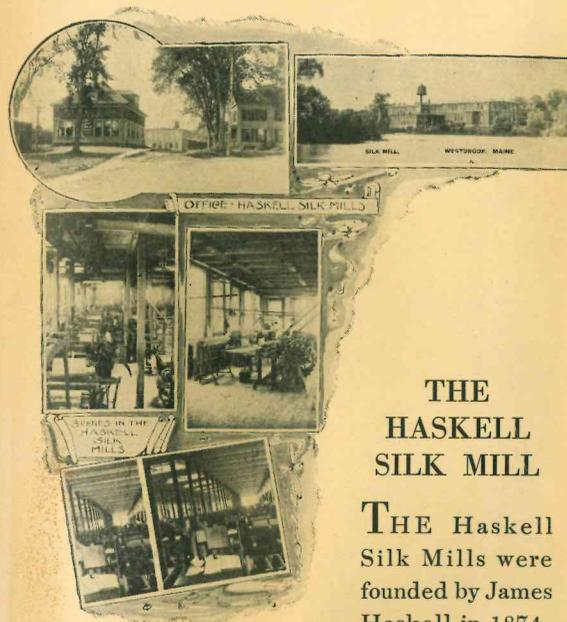

THE village of Halidon is a tract of 120 acres of
land beautifully situated in Westbrook upon the
north bank of the Presumpscot River, and is a va-
ried surface of plain, wooded hillside and plateau,
and was founded in accordance with the philosophy
of a single tax as taught by Henry George.

A visit to this village would well repay the visitor.

THE HASKELL SILK MILL

THE Haskell Silk Mills were founded by James Haskell in 1874, beginning with the manufacture of spool silk. In 1881 the company began the manufacture of dress silks. For the next three years they made none in colors, but have since been making dress silks in color designs as well as black, and a great demand in the increase of their goods followed this change.

The fine quality of their silks is known in all parts of the country.

Westbrook, Maine

S. D. WARREN & CO. PAPER MILLS

THESE mills are the best in the world, manufacturing exclusively book paper. The mills cover a great area, and furnish employment to upwards of 1200 people. Daily output 150 tons of finished paper.

WESTBROOK BOARD OF TRADE

THE present organization was founded at Long Island by a meeting of the Merchants and Clerks, who were enjoying a Field Day there on August 23, 1905. This organization numbered six, and had for its name The Westbrook Merchants' Association. After affiliation with the Maine State Board of Trade in 1906 the name necessarily was changed to Westbrook Board of Trade. In 1906 its membership was 28. In 1911 its enrollment reached 222.

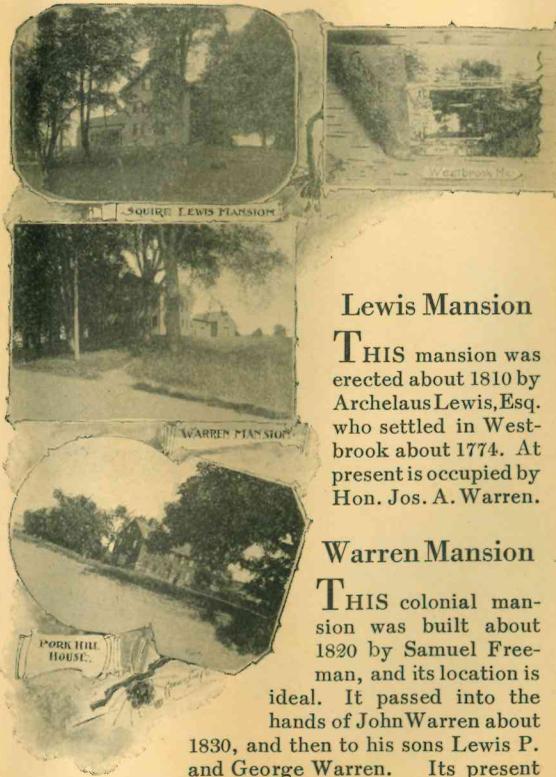

The Board of Trade organization of the United States is a great factor, assuming as it does in its duties, action on all important questions.

PUBLIC BUILDINGS

OWING to the generosity of Samuel D. Warren, Sr., this city was provided with the income of a fund, to be used for the public good; consequently a gymnasium was fitted up with all accessories in Cumberland Block at East End, also, the swimming buildings were erected, and a Girls' Club in the Armory building, West End.

Westbrook, Maine

Lewis Mansion

THIS mansion was erected about 1810 by Archelaus Lewis, Esq. who settled in Westbrook about 1774. At present is occupied by Hon. Jos. A. Warren.

Warren Mansion

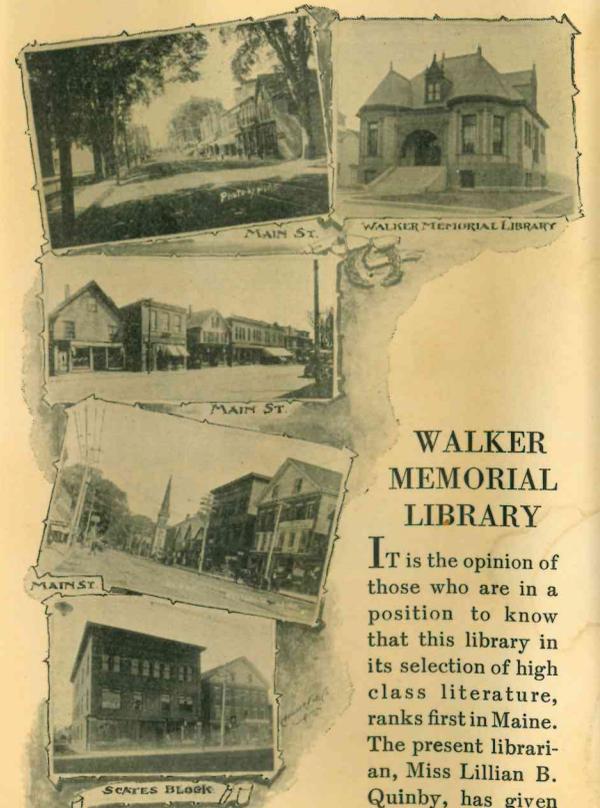

THIS colonial mansion was built about 1820 by Samuel Freeman, and its location is ideal. It passed into the hands of John Warren about 1830, and then to his sons Lewis P. and George Warren. Its present occupants are Mrs. Edna A. (Warren) Joy and Lelia A. Warren.

Park Hill Mansion

THIS mansion was erected about 1785 by Daniel Conant, Sr. Paul and Charles Akers, noted sculptors were born here. Now owned by S. D. Warren & Co. and is unoccupied.

WALKER MEMORIAL LIBRARY

IT is the opinion of those who are in a position to know that this library in its selection of high class literature, ranks first in Maine. The present librarian, Miss Lillian B. Quinby, has given the subject for selection for the shelves careful, profound study. This library

is indeed a bureau of information on all subjects.

CHURCHES

WESTBROOK is not overburdened with a large number of denominational churches. There are enough, however, to meet the religious tendencies of the average New England population.

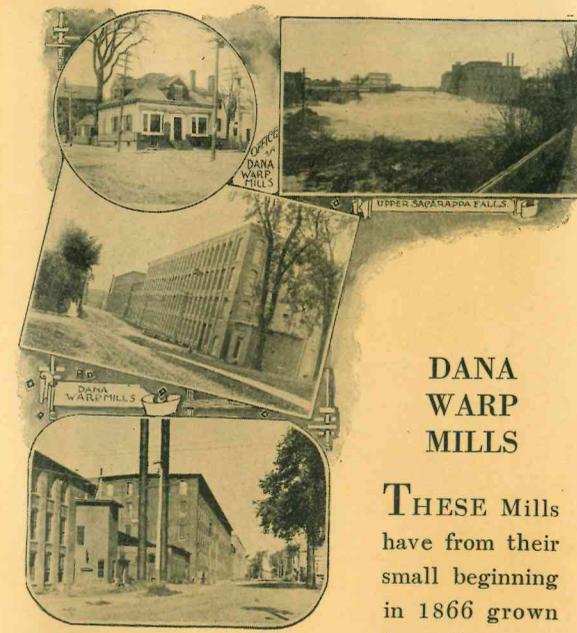

Westbrook, Maine

SCHOOLS

THE schools in all grades rank among the first in the State, and are far advanced in practical and in theoretical studies. Many of the graded scholars, now men and women, have made their progress along lines of advancement.

Westbrook, Maine

DANA WARP MILLS

THESE Mills have from their small beginning in 1866 grown from 720 spindles to about 60,000, requiring more than 500 bales of cotton per month to keep its 500 persons employed.

In 1900 the Dana Warp Mills bought the Gingham Mill and later built an addition to this, and as a manufactory of fine qualities of yarn, has demand for its products in all parts of the country.
